SAVING ANIMALS, ONE LIFE AT A TIME

AUGUST 2016

All Paws Rescue is a volunteer based animal rescue group serving primarily the Region of Peel, but ever expanding.

In July we reached a milestone surpassing **4000 members** on our Facebook Group - [All Paws Rescue Group](#)! We are so grateful for all the support from our members.

We have a no animal left behind policy meaning unless a licensed Doctor of Veterinary Medicine deems it necessary for medical reasons, we do not euthanize!

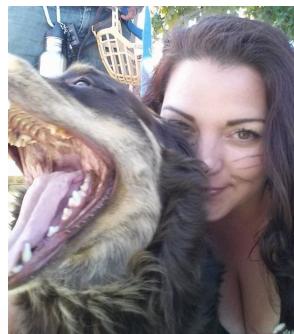

## About Our Founder:

All Paws Rescue was founded in 2013 by Michelle Victoria Borg, a lifelong animal lover and advocate. Michelle took in her first stray cat at the tender age of 7 and has been caring for stray and injured animals since.

Years later a friend needed assistance re-homing their dog Koda. The love, joy and passion Michelle felt helping Koda find his forever home inspired Michelle to follow her lifelong dream—to save more animals...

...and So began

# Making a difference

It's so rewarding to know that we not only do great work helping the animals in our Community, but also the people. This is a note we received from a grateful parent.

"This is something I have to share! My 4 year old daughter lives with an anxiety disorder and since I started volunteering with All Paws and bringing her to the Pet Valu at Heart Lake Plaza I've noticed so many improvements with her. She seems to have a real connection with any cat that comes into the store. Today was a really rough day for her and even though we weren't scheduled to go in we took a trip to visit Raquel and Phoebe and within a minute of being with them her whole attitude changed.

So Michelle Victoria, I know you've had a rough time lately. I want you to know how much you and the Rescue mean to my family. You're not only changing the lives of these sweet animals, you've helped us find a coping mechanism for my daughter therefore you've helped improve her life as well. For that, from the bottom of my heart I thank you "

All paws is such an amazing organization. They were very helpful when we found a stray mama cat and her 5 kittens under our deck. Unfortunately mama started moving her kittens and left one little sweet girl behind. All Paws sent someone right away to help this poor starving abandoned kitten! I'm so happy I know of this organization and how incredibly dedicated all the foster families are! Thank you for keeping us updated on our little kitten and when time comes that we are ready to adopt a pet, all paws will be our go to!

I was introduced to the rescue though a friend of mine about a year ago! I have adopted a cute kitty named Oreo who is one of our family now! The rescue does great things all around peel county and beyond to help these poor kitties and dogs 😊 Without their help and the help of all the great volunteers my Oreo would not have survived and we would not have him with us today!!!! Thank you so much All Paws Rescue for everything you do for our fur babies!!!! And Oreo Also says thank you for giving him a second chance at life!
